

BKI- 12:

4 x 4 Outback Experience

DURATION: 6 HOURS

CAPACITY: 200 PAX

In this tour, guests can veer off the beaten path on an eco-adventure tour of Sabah under the good hands of expert guides in a casual atmosphere. Each 4WD vehicle will be assigned drivers who will take 3-4 guests each as the group heads off in a convoy through Kota Kinabalu towards the outback.

In this relaxed off-road adventure guests will have plenty of opportunities to pause for nature appreciation and photography. The venture into wild country presents plenty of excitement along the twisty muddy trails, and guests just might get to experience trying to rescue a stuck vehicle out of a mud pit or jungle stream.

Depending on the route taken, the convoy will stop over the interior stream for a refreshing cool break. This 2-hour journey takes guests past unspoiled trails and friendly smiles from the locals.

ENHANCEMENTS

- Safari Shirt with company logo
- Picnic lunch at a waterfall or by the stream
