

Garama River Cruise

DURATION: 6 HOURS

CAPACITY: 100 PAX

Guests will go an exciting day trip to Garama Village, located along the Garama River about 130km from Kota Kinabalu, the capital city.

One of the tour's highlights is a rare sighting of the Proboscis Monkey in its natural habitat in the mangroves. Guests will also get to view a variety of birds, the common Macaque, the rare Silver Langour, large groups of water buffalos and on a good day, crocodiles by the riverbank.

Dinner is a delightful Malaysian buffet, after which the tour guide will take guests to witness thousands of fireflies lighting up a mangrove tree near the Garama Base Camp – a truly remarkable and memorable experience.
