

White Water Rafting at Sungai Selangor

DURATION: 6 - 8 HOURS

CAPACITY: RECOMMENDED 80 PERSONS

The crisp fresh air blows in as your guests in teams of five, guide their rafts along one of the last true discoveries of Malaysian river runners - the Sungai Selangor. Simply exhilarating!

This is the white water experience in Malaysia and will be challenged by its superb yet, steep and technical rapids. For the nature lover or thrill seeker, rafting enthusiast or active kayaker, there is an unforgettable experience awaiting you. Experience the thrill of rafting in a combination of intense white water rapids to clear waters, a pristine river corridor and solitude. The Sungai Selangor is also ideal for adventurous first-timers with its multitude of rapids ranging from Class II to V. The run is about 2 – 2.5 hours and contains at least 10 sets of rapids. This is a participating rafting run and passengers are to paddle as instructed by the guides. Prior to hitting the rapids with the flotilla, river guides will provide a Safety Talk, gear your guests up with safety vest, paddle and helmet, and show simple, easy-to-follow trip dynamics and techniques.

Only an hour and a half's drive from Kuala Lumpur to remote Kuala Kubu Bahru, this 3-hour experience in Sungai Selangor is the ultimate day trip.
